

## Scholarship Opportunity for Seniors

***Deadline: February 29, 2008***

The Great Plains Association of College Admission Counseling (GPACAC) is a three-state/regional organization serving high school counselors and college admissions professionals in the states of Kansas, Nebraska, and Oklahoma. Dedicated to encouraging, advocating, and facilitation equal access to post-secondary education, GPACAC fosters communication among students, families, and colleges/universities. GPACAC is a regional affiliate of the National Association for College Admission Counseling (NACAC).

Consistent with our mission, GPACAC is offering six \$1,000 scholarships for students graduating from high school in May/June 2008. Two winners from each GPACAC member state – Kansas, Nebraska, and Oklahoma – will receive the one-time award. The winner must attend a high school within one of the member states; the applicant does not have to live in that state.
